

Altierus Career College offers a hybrid diploma program in Massage Therapy and an Associate of Science Degree in Nursing that are available to Florida residents and designed to lead to professional licensure in the State of Florida. No distance learning program or other hybrid program offered by Altierus is designed to lead to professional licensure. However, some states require individuals seeking employment in the field to register with the state or to have taken a certifying exam. The following is information regarding the requirements for licensure or certifications in all the states in the United States for those programs offered by Altierus.
